Declaration of Substance Non-Use for Toxic Substances Control Act (TSCA)

The Toxic Substances Control Act (TSCA)1 was amended in December 2020 to reduce exposure to five (5) chemicals that it determined to be persistent, bioaccumulative, and toxic (PBT).2

Control Resources declares that the five PBT chemicals affected by the aforementioned amendment are not present within its products. Those five chemicals are listed in the table below.

Chemical	CAS No.
Decabromodiphenyl ether (DecaBDE)	1163-19-5
Phenol, isopropylated phosphate (3:1) (PIP (3:1))	68937-41-7
2,4,6-Tris(tert-butyl)phenol (2,4,6-TTBP)	732-26-3
Hexachlorobutadiene (HCBD)	87-68-3
Pentachlorothiophenol (PCTP)	133-49-3
